Reference : A05992

Projected Start of Construction - First Quarter 2024 - Delivery by Mid-2026

Quality of life is at the heart of the project. 16 SeaView is a residence where each apartment is unique, designed to seamlessly integrate with the dynamism of Monaco, allowing you to experience a privileged daily life, the Dolce Vita, and the place to be. Offering magnificent views of the city and the sea, the residence provides refined interior living spaces bathed in natural light. Whether it's apartments with gardens or breathtaking views from the upper floors, each dwelling has been meticulously designed in every detail to make you feel truly at home.

Nestled on one of the last sparsely urbanized hills of Beausoleil, facing south and just a few minutes' walk from Monaco's Casino Square and the Larvotto district, 16 SeaView offers breathtaking views over the entire Monaco Bay, from Cap Martin to the Rock, with the Mediterranean Sea as your only horizon.
